Aquathene CM92949B

Description

Aquathene CM92949B is a black masterbatch selected by customers for moisture cure applications. CM92949B contains a 40% loading of a fine particle size carbon black for UV weather resistance and an antioxidant to ensure long-term stability and enhance performance. When CM92949B is combined with *Aquathene* AQ120000 and *Aquathene* CM04482 or *Aquathene* CM04483 in the correct ratio this formulation is typically used for USE and USE-2 cable applications.

Availability

North America
